YOUNG ADULTS TRAINING

This is the third weekend of training and development for a group of young adults who desire to grow in God and develop themselves in leadership serving God and ministering in their communities. The topic for this weekend was Public speaking and Evangelism. On the Saturday night the Young Adults had an awesome time of prayer to the Father in heaven interceding for each other and their future and ministry. There is one more training session this year 2010 with OAC ministries who will come and train in chalk drawings, puppets and other creative ways to share the gospel message. Your prayers for the Young Adult Ministry and Training would be appreciated as they are our next line of leaders and as they learn more that God will open the doors of opportunities for them.

SAYING GOODBYE

Ms Naomi Kelly who has served at Bimbadeen for 5 years doing different roles has decided to move on.

We are sad to see her go and she will be greatly missed. We pray and entrust her to God that He will bless her in this next stage of life whatever that may be.

We would value your prayers and ask that you pray with us for a couple or some one who has the skills and know how to run and office of Bimbadeen.

MOVING FORWARD

As we venture into the future we are excited to already see God at work through the interest that people have in the ministry for training and equipping Aboriginal people in leadership. We are excited to see open doors to new partnerships to enhance this ministry. The need for leaders is great as the harvest is truly plentiful.

TRAINING UPDATE

The TEE (Theological Education by Extension) is now underway. We are excited to have 8 people trained as Tutors to do training in their local churches and communities. The tutors are now ready to roll out the first stage of training the course (Discipleship) for 2010. We are expecting about 30 students who will participate in the training. We are expecting in the second half of the year there we will have another intake of tutors who will then coordinate training in their local churches and communities. Mr Amos Leana and Mr Bob Quinn have been working hard towards setting out a 5 year plan that will move the training in the direction of accreditation. As we venture out we will see the TEE training re written so that it will cater for those in more remote areas in the Northern Territory and Western Australia. Again we are excited to be a part of this ministry. If you are interested in any part of the TEE training either to be a tutor or student, please call Bimbadeen 02-69421129.
