Bimbadeen was blessed again to have the AEF Eastern Area Ladies Convention at Bimbadeen. The theme was “God ultimate gift for you came from heaven to show the way” The speaker Mrs Navi Lakelin gave some very inspirational messages that challenged, encouraged, and blessed those that attended. There was over 60 women. Bimbadeen gives thanks to these ladies as they have supported Bimbadeen over a number of years with love offerings and this year they committed to a new coin operated washing mach which is much needed , Praise God. Thanks Ladies.

**Equipping Leaders Since 1979**

## COMING SOON

Bimbadeen will be looking at rolling out training for individuals and churches. The training committee has been working with the training Director Amos Leana to get things ready, we will be looking at running a course “Train the trainer” this will equip and skill those who have a desire to teach and train people in the things of God and discipleship. Once the leaders are trained the course will be offered to those who want to know more about Jesus. This training should be ready to roll out by 2010. We are also looking at developing a curriculum that is suited to the needs of the people and where churches are at, this concept will take people from where they are at and help them know Jesus more and how to understand the practical side of ministry. We will be looking at conferences, seminars and retreats as a method of training.

## Blessing of Prayer

In the past year Bimbadeen has experienced something amazing where small groups of people are rising up to meet and pray specifically for the ministry at Bimbadeen, from those prayers we have been experiencing a real Blessing. The board of Bimbadeen would like to say thankyou to those who pray for us. We are of the belief that prayer changes things. Because of the nature of the ministry at Bimbadeen where it is faith run, we have to call out to the Father in heaven to meet all our needs according to His riches in glory. We are excited to see God at work and answered prayer.

## Helping Hands

Over the past 9 months Bimbadeen has had the blessing of small teams of people want to come and serve in whatever capacity they can, and the people that have come have done a wonderful job in helping around the place do different things. The last team that came travelled from Eden and Sydney and they mowed the lawns, gardened, clean the buildings, chopped wood for the fires, cleaned the big shed, fixed machinery and they devoted themselves to prayer over the days they were there. For the staff at Bimbadeen and the board we were very encouraged by this act of love and servant hood. We have had other offers of people wanting to come and be a part of the ministry at Bimbadeen through serving and helping out. If you're a builder, plumber, electrician, handy person or someone who just wants to serve we invite you to come, bring a team or yourself, we would be blessed to have you. ## NEW CARPET

We have been praying for new carpet for the dining room at Bimbadeen and people had already donated some monies to go towards the carpet. Then a team of people came and did some work around the place and God moved the heart s of those who were there and monies where donated to have the carpet purchased and laid.

We were also blessed to have motel tables and chairs donated to go into the accommodation, God is good.
