Prayer & News Letter

August- December 2009

SEASONS GREETINGS

We would like to say thank you for your support and prayers. It is because of the support and prayers that we are seeing the blessing of God at Bimbadeen, we have had an amazing year with God answering many of our prayers, we are blessed. We know that as we go into next year we will see more of the evidence of God with training kicking off, new staff coming on board. Friends it is with a grateful hearts that the Bimbadeen Board would like to say thank you, Merry Christmas and a Happy New Year.

THE LIBRARY

We have been blessed with new shelving and 3 new computers for the library, 1 computer will help with the cataloging of books and help people find what they need and the other 2 computers will be used for students who need the internet and do studies. We are also blessed that a small group of people have given a week of their time to come and get the library ready for use cataloging books. And setting the library up.

NEW STAFF

We have been blessed over the years with different people offering their service and again the answer to our prayers. God is sending Jeremy and Denise Moss to Bimbadeen for a period of time to help out around the place with practical help, we are excited that they are at the end of January 2010.

TRAINING UNDERWAY

Bimbadeen held its first Young Adult Training Seminar, there were 14 participants from Mt Druitt, Cootamundra, Queensland, Eden, Toukley and Toongabbie. Facilitator Michael Maher took the young people through topic such as Goals and visions, Leadership, Know Yourself, and Exploring your gifts. At the end of the training the Young Adults were presented with a certificate and a batten to represent a new line of leadership. The feedback from the young adults was that they want more training and soon. We will be looking at another training weekend for the Young Adults in March 2010. We give thanks to Mark and Alex Naden who came to support through looking after the children and cooking. The Young Adults who attended the training are keen to look at a mission trip overseas, to see what mission is about and be a part of a ministry to others outside of Australia.

Equipping Leaders Since 1979

PAPUA NEW GUINEA TRIP

Some of the training committee (Rick Manton Michael Maher, Trevor Leggott, Amos Leana, with-Goma Conlon) had the privileged to be invited to PNG for the Langham Preachers Conference at the Christian Leaders Training Centre at Banz. The purpose of trip was to look at the training structure and models used in the conference to see if it could be adapted and used among our Aboriginal pastors and leaders. We also had the privilege of meeting with the Principal and other staff to discuss the TEE (Theological Education by Extension). This is a model that we are looking at for Bimbadeen. We are excited as we venture into training and development to strengthen and grow the Aboriginal Church.
